### TEAM REMINDERS:

A few things have been brought to our attention that we would just like to remind all teams of:

- ⇒ Could ALL teams please read & be aware of the Centre rules & regulations. Available online at [www.apisc.com.au](http://www.apisc.com.au)
- ⇒ Uniforms: reminder to all teams- singlet tops are NOT permitted on court at APISC, also be aware pants which are below the knee, need to be tight to the leg (i.e. leggings/skins style), you will NOT be permitted ON COURT if either of these regulations are not met.
- ⇒ Fee's are to be paid BEFORE your team takes the court. Time will go on, but you will not start the game until all court fees are paid for, **NO EXCEPTIONS!**
- ⇒ Team Rego & Bond are due in FULL before round 4. failure to do so will result in a -2pt deduction from your points ladder each week until paid. These points can not be reinstated.

## Thanks for a great outdoor season!

Firstly we'd love to say that we are so appreciative of everyones time, help and consideration during our move outdoors. The Grand Prix takes over our buildings for quite a long time, and all the teams that move with us, we are so happy that you make this transition so easy for us!

We especially thank the teams that played an outdoor/ alternate venue FINALS series after an indoor season! That must have been a challenge!

We had a great outdoor season this year-soccer boys getting the indoor courts, and netballers braving the conditions outside for 10 weeks.

We did have some washouts of the netballing venues. None of which we could foresee unfortunately. But thanks to the brilliant teams and captains we have here at APISC, this was made

Outdoors at our FLAGSTAFF GARDENS venue. Wednesday night 2011.

very easy for us to coordinate! (just shows the importance of filling your cards out correctly!)

The soccer boys may have been a little reluctant to hand back Macrob to the ladies netball however, as they seemed to love that court!

NOW, we have settled back in and are moving forwards with all our indoor comps.

There are still a few staffing

changes going on-people taking on new roles and new members appearing here and there-we'd appreciate your help to accommodate everyone as they ease into their new surroundings! And we'll help make APISC a fun and friendly environment for EVERYONE!

Thanks. K x

### ON THE LOOKOUT FOR REFEREES AND UMPIRES!

Always looking for new umprefs to join the team! Preferably badged netball umprefs-and experienced futsal referees. If you fit the criteria & are after a bit of extra cash! Please email through resume to [info@apisc.com.au](mailto:info@apisc.com.au)

**INTEREST FOR: NEW SUNDAY SOCCER VENUES**  
**Thanks :)**

## Junior Netball—2011 winter season

2011 is shaping up to be a great year for our junior netballers. There has been a fantastic number of teams commit to the season from all levels, grades 3/4 right up to our under 15s. Due to this you will notice that our Saturday netball will be running from 12 noon up to almost 5pm in the afternoon... So please make sure you check your fixtures closely in regards to game times.

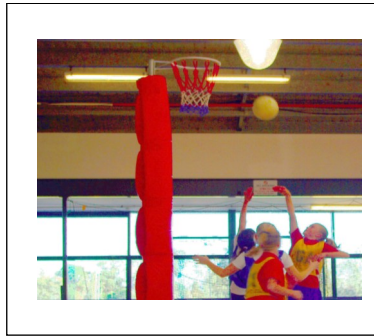

**Seasons:** This year's winter season will consist of 15 rounds and run over Term 2 & 3. Finals will be played over the following dates:

Semi finals: 10<sup>th</sup> of September  
Grand final 17<sup>th</sup> of September

\*Please note that we do not play over school holidays or the Queen's Birthday long weekend.

**Grades:** A reminder to all team coaches & parents, that children must play within or above their year level; we can't have children in grade 5 playing in the 3-4 competitions for obvious reasons. Any team found to be playing a child from a higher grade **will forfeit any points gained from the game.**

**Umpires:** To any junior netballer, who is interested in taking up the challenge of becoming an umpire, please contact me. We are always looking for new

Our Junior netballers in action!!

umpires to join the team (must be 15 years old or over).

Good luck for the season!!

## Junior Soccer Season Kicks Off!

A big thankyou to all the teams who helped us start our junior soccer comp recently for 2011. We've had lots of interest but are still looking for more teams ESPECIALLY to get a comp started

in the under 14s Age groups!

PLEASE APPLY ASAP!

The competition has got off to a great start and we have some awesome new refs on board.

Keep up the good

work boys!

Stay tuned for more info!

Good Luck for the rest of the season- there's some fantastic young talents shining through!

### Rule of the Month:

*No jewellery is permitted on court. In either futsal or netball!*

*If jewellery cannot be removed, it must be completely taped-(ie: hidden and padded, with sports tape or bandages)*

*We do not supply tape for jewellery purposes-we have it available for purchase.*

*NAIL TAPE-s6*

*ANKLE TAPE-s11*

## FUTSAL CENTRAL! NEW KEW COMP:

**FUTSAL CENTRAL is now accepting teams for its NEW 6 a side OUTDOOR competition!**

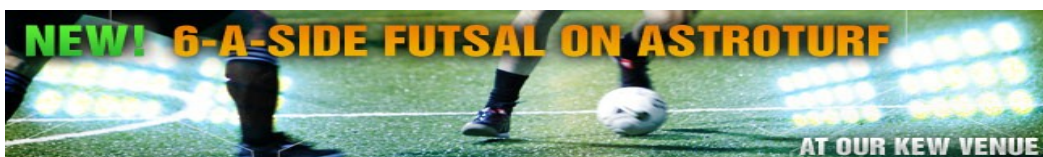

**Located at our new KEW VENUE.**

**Games will be played outdoor under lights, on a custom built tiger-turf pitch!**

**Register your teams for MENS, MIXED OR LADIES COMPS.**

Dance Around The World' is the journey of a lifetime for a young couple in love. They fell in love through dance, and now they are touring the world in search of every kind of dance. As we follow their journey, we are shown non stop high energy dance from each point of the globe. From Australia to Broadway, to London and Germany, we even get up close and personal in the depths of South Africa and South America. With over 30 countries visited and close to 50 spectacular routines, this show will keep your heart racing from take off to landing.
